PROFESSIONAL SUMMARY

Dynamic Business Development, Partnerships, and Growth Marketing professional with 5+ years driving user acquisition, revenue growth, and market expansion across SaaS, HR Technology, Blockchain, Creative/Design, and Retail industries. Proven track record designing and executing go-to-market (GTM) strategies, building strategic partnerships, and converting high-value prospects through multi-channel outreach (email, LinkedIn, cold calling) and CRM-driven pipeline management. Skilled at aligning sales, marketing, product, and operations to hit measurable growth targets, with hands-on experience closing six- and seven-figure deals, onboarding international clients, and scaling brand presence through data-informed marketing. Bilingual strength in relationship-building and strategic foresight, with a resilient, execution-first approach ready to drive revenue and growth for an ambitious organization.
